JACKPOT!

You just hit the jackpot! XXXXXXXXXXXXXX XXXXXXXXX Opening this zine is like winning the lottery, bingo, yahtzee, and roulette all at the same time. Just like in all of those situations you might feel liek yourwhole live is goingto change! You've done it! You've reallydone it! You won and your pi prize is reading this zine.

Jackpot is the biggest prize in a gambling situation. It might even be the prize of winni all the money other people have bet and lost.. although I'm just making that up and it might not be true. When you are playing the slot machines in a casino you win the jackpot by getting "777" and this week we are making issue "111". That might not actually win you a lot of money on the slots but it will be many years before we get to zine 777 so we might as welldo this now!

Also it's the 11th of August, so even mor ones. It really make me feel like we have won something today! And now the frase isn't just about miraculously not losing in gambling, now people yell"jackpot!" even when minor positive things happen in their lives. That's great! It's good to celebrate! The greatest jackpot of all is to somehow continue to survie in this treacherous and cruel world! I'm Alive! Jackpot!

Within this zine you will find the draweings and musing of the Night Drawers, a group who meets every Sunday at Le Voyeur to choose a pseudo-random prompt and then make a zine based around it. If you turn the page you will win athe sight of countless pages and references to the phrase "Jackpot!"

The Night Drawer is a drawing night and collaborative art zine made every week on Sundays at Le Voyeur in Olympia, WA. At 7pm a new prompt is chosen from the drawer and eveyone is invited to make a page inspired by that prompt. No one knows what the prompt will be beforehand, but anyone can add new prompts into the drawer at any time. All the pages are collected and made into this zine. The Night Drawer is open to the public and welcomes artists of all styles and skill levels.
